Insurance for Final  
Expenses

**Did you know?** In 2010, the average adult funeral cost \$7,755<sup>1</sup> and that didn't include cemetery plot, monument, or miscellaneous charges such as flowers or obituaries. And, on top of that, survivors must often pay final debts—doctor and hospital bills, attorney fees, taxes, loans, credit card charges, the mortgage or rent. Could your family handle those expenses if you died tomorrow?

**A financial solution for your final obligations.** Catholic Order of Foresters *ForesterBasic 20-Pay* takes that burden from your family in their time of grief. This whole life 20-pay policy offers the following features:

- 20 annual payments guarantee lifetime coverage
- Policy amounts start at \$5,000
- Tax-deferred cash value accumulation builds as long as you own the policy<sup>2</sup>
- Death Benefit goes tax-free<sup>2</sup> to beneficiaries
